It's Plain to See

Sloan

This understanding's a misunderstanding easilyYou come 'round here and knockin' at my door
But I've stated clearly I don't want you near me anymore
And I'm gonna shove that message in your brain
If it takes all night, I don't mind a fight
I'll take the blame but I won't feel ashamedCoz it's plain to see
When it comes to you and me
This understanding's a misunderstanding easilyYou keep on knockin' at it all night long
You try to break it but you're not that strong
You keep on singing that same sad song
You said you'd write it but you're in the wrongCoz it's plain to see
When it comes to you and me
This understanding's a misunderstanding easilyMisunderstanding, yeahYou come 'round here and knockin' at my door
But I've stated clearly I don't want you near me anymore
And I'm gonna shove that message in your brain
I shout out loud but you don't seem to hear me
But I've stated clearly don't want you near me
I've said before
So you know the score
This misunderstanding
Not anymore
