

Black Widow

Iggy Azalea

I'm gonna love ya
Until you hate me
And I'm gonna show ya
What's really crazy
You should've known better
Than to mess with me harder
I'm gonna love ya, gonna love ya
Gonna love ya, gonna love ya

Like a black widow, baby This twisted cat and mouse game always starts the same

First we're both down to play then somehow you go astray

We went from nothing to something, liking to loving
It was us against the world, and now we just fucking
It's like I loved you so much, and now I just hate you
Feeling stupid for all the time that I gave you

I wanted all or nothing for us, ain't no place in between
By me believing what you say that you never mean
Like it'll last for ever but now forever ain't as long
If it wasn't for you I wouldn't be stuck singing this song
You were different from my last but now you got a mirror

But as it all plays out I see it couldn't be clearer

Now sing You used to be thirsty for me
But now you wanna be set free

This is the web, the web that you weave

So baby now rest in peace (It's all over with now) I'm gonna love ya

Until you hate me

And I'm gonna show ya

What's really crazy

You should've known better

Than to mess with me harder

I'm gonna love ya, gonna love ya

Gonna love ya, gonna love ya

Like a black widow, baby I'm gonna love you until it hurts

Just to get you, I'm doing whatever works

You ain't never met nobody

That will do you how I do ya

That will bring you to your knees

Praise Jesus, hallelujah

Imma make you beg for it, plead for it

Till you feel like you breathe for it

Till you'll do any and everything for it
I want you to fiend for it
Wake up and dream for it
Till it's got you gasping for air And you lean forward
Till they have a CAT scan to check on your mind
And it's nothing but me on it
Now it's me time, believe that
If it's yours and you want it
I want it, promise I need that
Till I'm everywhere that you be at
I can't fall back, go quick
'Cause this here is fatal attraction
So I take it all or I don't want shitYou used to be thirsty for me
But now you wanna be set free
This is the web, the web that you weave
So baby now rest in peace (It's all over with now)I'm gonna love ya
Until you hate me
And I'm gonna show ya
What's really crazy
You should've known better
Than to mess with me harder
I'm gonna love ya, gonna love ya
Gonna love ya, gonna love ya
Like a black widow, baby
