Oak Tree

Good Old War

Don't you want me
By your side
Won't you meet me
By the old oak tree
In the shade beneath the leaves
Before they fall like you and meWhere is your love now
I won't let you fool me
I know I seen it hangin around
But it's been missing since the evening
(Ahhh)
Don't you want me
By your side
Won't you meet me
By the old oak tree
In the shade beneath the leaves
Before they fall like you and meI can see it in those sad eyes
You think no ones understanding
Outside all you hear are lies, lies, lies
Inside you're suffering(Ahhh)Don't you want me
By your side
Won't you meet me
By the old oak tree
In the shade beneath the leaves
Before they fall like you and me
La la
la la la, la
La la la, la la la, la, la, la None of us can stop time
But we like to keep it steady
So when the time comes to say goodbye
We already(Ahhh)Don't you want me
By your side
Won't you meet me
By the old oak tree
In the shade beneath the leaves
Before they fall like you and meOr anywhere you wanna be
As long as its with me
