

# Every Little Step (feat. Maria Due)

[Dylan Mondegreen](#)

How I wish you could have stayed here  
to see her grow  
Let her know  
all the stories from my childhood  
Give us advise  
Involve in her lifeIt's wrong and unfair  
all the love you could have shared  
will never ever reach her  
I wish you could have seen  
what's she growing up to be  
She's turning into a little person  
a person, a person  
Know you would treasure every moment  
every little step  
every hug you'd get  
And when she'd talk then you would listen  
to every word  
from your little girl  
It's wrong and unfair  
all the love you could have shared  
will never ever reach her  
I wish you could have seen  
what's she growing up to be  
She's turning into a little person  
a person, a personAs you left our lives  
she came into our lives
