

# Will To Power

## Kickback

I am here to rule the world  
Take over this universe  
No one can't stop  
My journey to the end Live your life just like I say  
And I will pull you through  
Through the gates of hope  
Now follow me Hear my word and walk with me  
Step by step, I'll lead you  
And you will see I know there's calm  
Before the storm  
This silence kills me  
It's been quiet for far too long Now it's time to take control  
'Cause I hold the Thunderstone  
And I will save you  
All from the pain Hear my word and walk with me  
Step by step, I'll lead you  
And you will see It's in my hands  
Power and will  
It's in my hands I am here to stay for evermore  
Guide your way like no one else before  
I'm the one who makes your dreams come true  
I'm the one who holds the answer  
The one who knows the truth  
The one who's got the will to power There are times you feel that you can't make it through  
Don't be afraid 'cause I'm here for you  
Just when you're livin' your darkest hour  
I will give you the will to power Now it's time to take control  
'Cause I hold the Thunderstone  
And I will save you all from the pain Hear my word and walk with me  
Step by step, I'll lead you  
And you will see It's in my hands  
Power and will  
It's in my hands I am here to stay for evermore  
Guide your way like no one else before  
I'm the one who makes your dreams come true  
I'm the one who holds the answer  
The one who knows I am here to stay for evermore  
Guide your way like no one else before  
I'm the one who makes your dreams come true

I'm the one who holds the answer  
The one who knows the truth  
The one who's got the will to power
