

Fly (feat. Super Cat) - Remastered Version

[Sugar Ray](#)

All around the world statues crumble for me
Who knows how long I've loved you
Everywhere I go people stop and they see
Twenty-five years old my mother God rest her soul I just wanna fly
Put your arms around me, baby
Put your arms around me, baby
I just wanna fly
Put your arms around me, baby
Put your arms around me, baby Dance a little stranger, show me where you've been
Love can make you hostage wanna do it again
There's no time to think about the starting or the end
We'll find out I'm told, my mother she told me so I just wanna fly
Put your arms around me, baby
Put your arms around me, baby
I just wanna fly
Put your arms around me, baby
Put your arms around me, baby
I just want to fly
I just want to fly All around the world, statues crumble for me
Who knows how long I've loved you
Everyone I know has been so good to me
Twenty-five years old, my mother God rest her soul I just wanna fly
Put your arms around me, baby
Put your arms around me, baby
I just wanna fly
Put your arms around me, baby
Put your arms around me, baby
I just want to fly
I just want to fly
I just want to fly
I just want to fly
I just want to fly
