

# Good Things

## Rich Boy

Good things don't last forever, baby  
There's something 'bout you girl that drives me crazy  
Ain't no if's and but's or maybe's  
You will always be my friend You will always be  
You will always be  
Say you'll always be my friend She wanna know what's the reason  
I'm saying she can be my friend  
But baby, I'm a player, ain't no reason to pretend  
Mighta seen me in MIA, ride a Phantom or the Benz  
With a beautiful bitch, her hair blowin' in da wind [Incomprehensible]  
Hope that you can comprehend  
What I'm spittin' is pimpin' and the rules don't bend  
Yup, you lookin' good but yo' mind ain't right  
Some niggas been tellin' ya you're fine, alright [Incomprehensible] need to let me put this I in your life  
Not the booze from behind, from the side how you like  
I don't wanna spend forever witchu, baby, just tonight  
If you can hop on my backseat that'll be a delight From the looks of that ass you a nigga type  
If you can bring me some cash, baby, you're Mrs. Right  
You say you got a man and you don't know if this is right  
That's why I need to be like [Incomprehensible] Good things don't last forever, baby  
There's something 'bout you girl that drives me crazy  
Ain't no if's and but's or maybe's  
You will always be my friend You will always be  
You will always be  
Say you'll always be my friend You're the only girl that I wanna see daily  
And a lot of hoes sayin' that you could be my lady  
Let's take it to another level, remember the first day  
I got you what you wanted and it wasn't even your birthday Nah, now we kicked it too hard  
You went too deep, you say you feel it in your heart  
So I'ma be real 'cuz you give me what I want  
And I ain't gonna tell that I love you if I don't understand that you got a man at your crib  
But he don't even care or understand how you feel  
But if you stop comin' around and I don't see you again  
I guess we could just be friends Good things don't last forever, baby  
There's something 'bout you girl that drives me crazy  
Ain't no if's and but's or maybe's  
You will always be my friend You will always be  
You will always be  
Say you'll always be

You will always be my friend  
Now ladies, I know y'all know what I'm talkin' 'bout  
See, I don't want a man that just be dippin' in and out my life  
Want a friend that's gon' be there through thick and thin  
You know I'm sayin'? Somebody to take it back to the Isleys  
I want somebody to always come run back to me  
And trust, I'ma be right here with that good thing  
If I couldn't walk again, would you still be there for me?  
If I lost it all today, would you care for me?  
Yeah, would you write me in the pen?  
Be kinda friend that'll be there without the Benz  
Like I hit you from a bull, God sent me  
You'll never ask me 'bout tha money that you lent me  
Nah, you look good in Cavalli  
You're the type of girl that the money can't buy me  
Good things don't last forever, baby  
There's something 'bout you girl that drives me crazy  
Ain't no if's and but's or maybe's  
You will always be my friend  
You will always be  
You will always be  
Say you'll always be  
You will always be my friend  
You will always be my friend  
Yes, I will, oh, yes, I will, oh, I will  
You will always be my friend
