

Cinderella (Acoustic Version)

[Steven Curtis Chapman](#)

She spins and she sways to whatever song plays
Without a care in the world
And I'm sitting here wearing
The weight of the world on his shoulders
It's been a long day and there's still work to do
She's pulling at me saying, "Dad, I need you
There's a ball at the castle and I've been invited
And I need to practice my dancing, oh please, daddy, please"
So I'll dance with Cinderella while she is here in
my arms
'Cause I knew something the prince never knew
Oh, I'll dance with Cinderella, I don't want to miss even one song
'Cause all too soon the clock will strike midnight and she'll be gone
She says he's a nice guy and he'll be
impressed
She wants to know if I'll approve of the dress
She says, "Dad the prom is just one week away
And I need to practice my dancing, oh please, daddy, please"
So I'll dance with Cinderella while she is here in
my arms
'Cause I knew something the prince never knew
Oh, I'll dance with Cinderella, I don't want to miss even one song
'Cause all too soon the clock will strike midnight and she'll be gone
She will be gone
But she came home today with a ring on her hand
Just glowing and telling us all they had planned
She says, "Dad, the wedding's still six months away
And I need to practice my dancing, oh please, daddy, please"
So I'll dance with Cinderella while she is here in
my arms
'Cause I knew something the prince never knew
Oh, I'll dance with Cinderella, I don't want to miss even one song
'Cause all too soon the clock will strike midnight and she'll be gone
