Monkey With a Drum

Josh Pyke

When is it time to surrender?
A little monkey in a lion's den
A little monkey with a drum jumpin' for the fun
Yeah I feel a little tender thereAnd when I am away remember
A cheap rhyme never fits the bill
'Cos I've been around the world but I missed my girl
And I feel a little tender stillSo tell me if you're feeling tender
My baby if you're feeling blue
I've got some money put away for a great escape
And I could run for a girl like you
I can make plans if you can
I know there's fear in being true
Maybe a monkey with a drum I am to some
But I know I'm not that to you
I can make plans if you can
You know we've gotta take a bird's eye view
And from way up here things are looking pretty clear
Above the clouds the skies are always blue,
Always blue
