Better Than Art

Randy

Better than art
Better than art
Better than art
Better than artBetter than art
Better than art
Better than art
Better than artWell my friend is even this a trend?
Then even I hope our career will end
I don't consider myself all that smart
I come this far by using only my heartI wear my intentions on my sleeve
I'm not cynical, I'm naive
And I try to be as honest as I canWhat you now hear is the same thing you hear
When you put your ear
Close to my heart and that's why I like
Music better than artBetter than art
Better than art
Better than art
Better than artBetter than art
Better than art
Better than art
Better than artYou might think that some thing's wrong
Because I use the same chords in all my songs
Better than art
Then you say I use the same words too
And I heard that before so, so do you
Better than artMaybe I'm not all that smart
But one single hand covering one single heart
Is a nice step on the way, small reminder of a better dayWhat you now hear is the same thing you hear
When you put your ear
Close to my heart and that's why I like
Music better than artSpit it out now
Spit it out on me
Spit it out now
Spit it out nowSpit it out now
Spit it out on me
Spit it out now
Spit it out nowSpit it out now
Spit it out now
Spit it out now

Spit it out now
Now spit it out!
Spit it outWhat you now hear is the same thing you hear
When you put your ear
Close to my heart and that's why I like
Music better than artWhat you now hear is the same thing you hear
When you put your ear
Close to my heart and that's why I like
Music better than artBetter than art
Better than art
Better than art
Better than artBetter than art
Better than art
Better than art
Better than art
