Don't you DISS me, nothings going right and yeah I wanna fight
So I'm jumping in the night you gonna RESPECT me
I don't wanna talk my nerves bad and I having suicidal thoughts
Somebody WATCHING me I can feel the heat who ever in here is scared
I can hear they heart beat and they are not STOPPING me
I'm out of control like a nigga locked up then just got out of the hole
What the DO TO ME, put me in this game give me all this fame
And expect for me to change my fucking mind

You mothafuckas don't know me

[Verse:]I am not going to jail, we gonna smoke our weed
We don't need no help, you don't wanna fuck with me
I do not tell, ya wont get enough, I'm from the neighborhood where we throw the first punch, get out of my way, I had a bad day
My brother wouldn't die if I had my AK, ya don't feel me
I am on the edge, so when I woke up on the wrong side on the bed
U don't love me, you just like my call and if im ever with broke you find another star, don't you touch me, I don't need a wife I love my lil girl but her momma needs a life
[Chorus:]U mothafuckas don't know me (come on)
U mothafuckas don't know me (yeeah)
U mothafuckas don't know me (lets go)
U mothafuckas don't know me (yeeah)
U mothafuckas don't know me (yeeah)
The business is entertainment
And what entertains the customers is the sight of blood

Okay i' get him
Yo niggaz worship the ground I walk on I make mills of the tracks I talk on
its king, KING
