No Umbrellas

Ever Stays Red

With this voice you gave I will sing
As I come into this place
As I fall before You
Cause the Son has bled for me
I can come into this placePre-Chorus:
I can fall before You
Place all before You
I can fall before YouChorus:
Rain down
Let Your spirit burn in me
Burn with fire
Rain down
Turn Your ear to hear this cry
Consume my life
May all these wrongs wash away
As I come into this place
As I fall before You
Cause the blood was shed for me
I can come into this placeI can fall before You
Place all before You
Let us fall before You GodChorusI'll follow You may
Love be my guide
Cause it's all for You
I'll live for all that's right
This song's for You
And I'll sing with all my might
With living sacrifice
Lord let it be
ChorusCause it's all for You
I'll live for all that's right
And I'll sing with all my might
