

Heaven for Everyone

Queen

This could be heaven
This could be heaven
This could be heaven
This could be heaven

This could be heaven for everyoneIn these days of cool reflection (reflection)

You come to me and everything seems alright

In these days of cold affections

You sit by me and everything's fineThis could be heaven for everyone

This world could be fed, this world could be fun

This could be heaven for everyone

This world could be free, this world could be oneIn this world of cool deception

Just your smile can smooth my ride

These troubled days of cruel rejection, hmm

You come to me, soothe my troubled mindYeah, this could be heaven for everyone

This world could be fed, (yeah) this world could be fun

This should be love for everyone, yeah

This world should be free, (yeah) this world could be one

We should bring love to our daughters and sons

Love, love, love, this could be heaven for everyone

You know that

This could be heaven for everyone, yea he he he woo

This could be heaven for everyoneListen what people do to other souls

They take their lives destroy their goals

Their basic pride and dignity

Is stripped and torn and shown no pity

When this should be heaven for everyoneThis could be heaven

This could be heaven (this could be heaven for everyone)

This could be heaven

Could be heaven for everyone

This could be heaven

This could be heaven

Could be heaven (could be heaven for everyone)

This could be heaven

Could be heaven for everyone

This could be heaven (love, love, love, love)

This could be heaven

This could be heaven

This could be heaven

This could be heaven

For everyone
For everyone
