

# Queen of the Informed

## Enchant

You love the righteousness you feel  
That no soul was lost to make your meal  
You challenge everyone's ideals  
You're sure to let your won congeal  
How blessed to be adorned  
The queen of the informed  
You're a friend of the just, of course  
If their agendas are just like yours  
The only cause you don't endorse  
Is just say, no one but my kind  
Has an open mind  
I question other's sanity  
While I'm handcuffed to evergreens  
But if your view opposes mine  
I'll flip you off and wave a sign  
How blessed to be adorned  
The queen of the informed  
You erupt that you're free to speak  
Interrupt when they don't agree  
The only cause that you don't believe  
Is just say, no one but my kind  
Has an open mind  
Your daddy drowned in tuition fees  
Your M.B.A. in T.H.C.  
Your favorite text through all of that  
Was "Save a tree" on paperback  
How blessed to be adorned  
The queen of the informed  
If parity is what you need  
Maybe it's time you breed  
Stop imposing what you believe  
On everyone around  
You erupt that you're free to speak  
Interrupt when they don't agree  
Only cause that you don't believe  
Is just say, no one but my kind  
Has an open mind  
No one but my kind  
Has an open mind  
No one but my kind  
Has an open mind  
No one but my kind  
Has an open mind  
No one but my kind
