

I Saw Her Standing There

Tantowi Yahya

Well she was just 17
& u know what I mean
& the way she looked,
Was way beyond compare.

So how could I dance with another, ooooo
When I saw her standing there.

Well she looked at me
& I, I could see
That before too long,
I'd fall in love with her.

She wouldn't dance with another, ooooo
& I saw her standing there.

Well my heart went boom,
When I crossed that room,
& I held her hand in miiiiinnneeee.

Oh we danced through the night,
& we held each other tight,
& before too long I fell in love with her.
Now I'll never dance with another, ooooo
& I saw her standing there.

Well my heart went boom,
When I crossed that room,
& I held her hand in miiinnneee.

Ohhh we danced throught the night,
& we held each other tight,
& before too long I fell in love with her.

Now I'll never dance with another, ooooo
Since I saw her standing there.

Oh since I saw her standing there.
Yea well, since I saw her standing there.
