Tell Me What To Say

Black Lab

Tell me what to say
And I will say it to you
I take one for the heartbreak
One for the headache
Two for the constant tears
I take one for the blindness
One for the foolishness
Trying to keep you here
I would stop waiting
Stop crying, stop breathing in, too
While you stay away so long
I would stop calling
Stop writing, stop faking
Stop denying you're as good as gone
But I dunno
So you just tell me what to say
And I will say it to you
I would do it for you
I would burn this house down
Tell me what to say
And I will say it to you
I would do what you do
I would burn us to the ground
Even on weekdays, even on Sunday
Even in the blackest nights
Even when you touch me
I know you don't love me
And, uh, can't make it right
I would stop waiting stop walking
Stop trying to start you talking
Or say your old goodbyes
I would stop drinking stop feeling
Breakdown and start believing
You might change your mind
Well, I dunno
So you just tell what to say
And I will say it to you
I would do it for you
I would burn this house down

Tell me what to say
And I will say it to you
I would do what you do
I would burn us to the ground
Hey, well, I dunno
So you just tell me what to say
And I'll say it to you, I would do it for you
I would burn this house down
Tell me what to say
And I will say it to you
I would do it for you
I would burn us to the ground
