

# Tell Me What To Say

## Black Lab

Tell me what to say  
And I will say it to you  
I take one for the heartbreak  
One for the headache  
Two for the constant tears  
I take one for the blindness  
One for the foolishness  
Trying to keep you here  
I would stop waiting  
Stop crying, stop breathing in, too  
While you stay away so long  
I would stop calling  
Stop writing, stop faking  
Stop denying you're as good as gone  
But I dunno  
So you just tell me what to say  
And I will say it to you  
I would do it for you  
I would burn this house down  
Tell me what to say  
And I will say it to you  
I would do what you do  
I would burn us to the ground  
Even on weekdays, even on Sunday  
Even in the blackest nights  
Even when you touch me  
I know you don't love me  
And, uh, can't make it right  
I would stop waiting stop walking  
Stop trying to start you talking  
Or say your old goodbyes  
I would stop drinking stop feeling  
Breakdown and start believing  
You might change your mind  
Well, I dunno  
So you just tell what to say  
And I will say it to you  
I would do it for you  
I would burn this house down

Tell me what to say  
And I will say it to you  
I would do what you do  
I would burn us to the ground  
Hey, well, I dunno  
So you just tell me what to say  
And I'll say it to you, I would do it for you  
I would burn this house down  
Tell me what to say  
And I will say it to you  
I would do it for you  
I would burn us to the ground
