Empty (DJ Eon Remix)

JYJ

Girl, I swear
I'm never going through this again
I know that you thought you'd win
And before I give you another try I'd die
Love won't make you cry or ask why oh why?
So I'll deny my heart 'cause I won't live a lie, why try?Your heart is empty and you're so cold
You don't care about you and I
Your heart is empty, you won't let go
But I'm walkin' out this life
Why can't you let it go, let it go, let it go, let it go?Girl, because your heart is empty
Why can't you let it go, let it go, let it go, let it go?
Girl, because your heart is empty
There you goTryna tell me how to be a man
When that's somethin' you just don't understand
It's time to bring your truth to light, no lie,
Love won't make you cry or ask why oh, why?
So I'll deny my heart 'cause I won't live a lie, why try?Your heart is empty and you're so cold
You don't care about you and I
Your heart is empty, you won't let go
But I'm walkin out this life
Why can't you let it go, let it go, let it go, let it go?Girl, because your heart is empty
Why can't you let it go, let it go, let it go, let it go?
Girl, because your heart is emptyYour heart is gone, my heart is strong
Leave me alone, leave me alone
Your heart is gone, my heart is strong
Leave me alone, leave me aloneYour heart is empty, your heart is empty
Your heart is empty
Girl, because your heart is emptyYour heart is empty and you're so cold
You don't care about you and I
Your heart is empty, you won't let go
But I'm walkin out this life
Why can't you let it go, let it go, let it go, let it go?Girl, because your heart is empty
Why can't you let it go, let it go, let it go, let it go?
Girl, because your heart is empty
