Gentle Persuasion

Consumed

Take this with you when you go
You might need it, you never know
Bitter feelings inside of you
You didn't mean to, that's okay
I didn't want it anywayI don't think you really understand
The way I feel about you is true
And it's you, and it's you
I don't think you really understand
Just what it is about youIt's too easy, life is a breeze
You don't believe me? You will when I leave
Bitter feelings inside of you
You didn't mean to, that's okay
I didn't want it anywayI don't think you really understand
The way I feel about you is true
And it's you, and it's you
I don't think you really understand
What it is that I feel
It breaks me every day
I want you to stay
