

# Angels Walk Among Us (Demo Mix)

## Anathema

(only you can heal inside,  
only you can heal your life)it must have been an angel  
who counted out the time  
yes it must have been an angel  
who raised a knowing smile  
and i just couldn't reach you  
no matter how i tried  
no i just couldn't reach you  
so instead i ran to hide(only you can heal inside,  
only you can heal your life)mother can you hear me?  
can you tell me, are you there?  
father can you help me?  
cos i know that you care  
and i dont have to fight it anymore  
for all those years i was dreaming  
and i don't have to worry anymore  
cos i found my belief in...  
mother can you hear me?  
can you tell me are you there?  
father can you help me?  
cos i know that you care(only you can heal inside,  
only you can heal your life)efkan oguz
