

Face Down In The Blues

The Marshall Tucker Band

Face Down In The Blues by: Marshall Tucker Band. Intro...

I wake up every morning with the dew on my face
Been down so long now without a trace
I shuffle through the streets, alone

It's too late for me, I'm face down in the blues

I put bread in my belly, just to stay alive
Markin' everything for a dollar ninety-nine

Oh why New York City you so mean

Now I'm drownin' in it, face down in the blues...Guitar Interlude with Wah-Wah...

...Guitar Interlude with heavy B3 support and Gtr Blues overdrive...

-BREAK-

Twist the cap, Let it flow

Hey babe, smooth red glow I know what's you're thinkin'

Ah, it just ain't right

But it's the only way..., I can sleep tonight
Well I'm face down, Face down in the blues

Well I'm face down, Face down in the blues

Got all the floor I can use,

Face down in the blues. Guitar & out...
