

# No Justice

## Skindred

Ain't no justice there's only just us  
Babylon ah come and dem ah try run we over How long dem ah treat me like an evil promoter Here it comes  
again the new depression  
You know the soup is burning  
yet you turn up the fire  
They could never test we still dem arrest we Now they wanna throw us in a bucket of blood Never past the test  
we but still you hate we Ain't no getting out of the bucket of blood  
If you can see it and you believe it Don't tell me what or not to be Fight back, don't let them start it I believe  
there  
Ain't no justice there's only just us  
Life dont come in moderation  
Taking a kicking in the polling station Holding screaming murder shoot him  
Put up your hands still they shot you dead  
How long have you told me  
That i'm a waste man  
Ain't no getting out of that there bucket of blood How long will you hate me and try fe rape me Ain't no getting  
out of the bucket of blood
