

# Red Light

## Siouxsie and the Banshees

She falls into frame  
With a professional pout  
But the Polaroid's ignite  
Upon seeing their subject And the aperture shuts  
Too much exposure  
Voyeur sucks into focus  
Floodlit the glossy kiss-pit But as emulsion drips down - down  
The aperture shuts  
Too much exposure  
Come into this room Come into this gloom  
See the red light rinsing  
Another shutter slut wincing  
The sagging half wit sister Pretty, pretty picture  
Of an ancient nipple shrinking  
That kodak whore winking  
'Til the aperture shuts Too much exposure
