

Perfect

Alexandra Burke

Oh, I was perfect for the circus
If he dared me I'd do it
Love makes you stupid
I'd give it up, but I guess it was not enough
'Cause he never seemed satisfied
I know I'm not perfect
But at the end of the day, who is?
He wanted someone this perfect when love came
But can you tell me who is?
He said before
Just above the stars
A rocket couldn't reach it
But I still kept on reaching
He watched me at least a thousand times
If he loved me, he'd stop me, but no
I know I'm not perfect
But at the end of the day, who is?
He wanted someone this perfect when love came
But can you tell me who is?
I saw my future in his eyes
So wrong, so wrong
Guess I was destined for ruining my life
'Cause he didn't break me down, he made me strong
I know I'm not perfect
But at the end of the day, who is?
He wanted someone this perfect when love came
But can you tell me who is?
