Read My Mind (Short Version Remix)

Tashan

Weaking up closing my eyes again
Struck by the misery.
Lying there paralyzed,
Seems that our storage is empty.Falling back on the ground,
Once again tongue tied and twisted.
It's harder to realize heaven was close,
When you missed it.I should break the silence today...
But my words won't find their way.
Read my mind.
Can't you feel that I'm
Leaving you!
(Talk about it, talk about it)
Leaving you!
(Talk about it, talk about it)
Sleepless nights, but I know it's right
Leaving you!
(Talk about it, talk about it)
Leaving you!
(Talk about it, talk about it)Look around now and then everyone's
Running in circles.
Time after time you've been trying
To break trough my surface.
Sorry I failed to tear down the walls
Over and over.
Making up alibis
Was just a long road to nowhere.Read my mind.
Can't you feel that I'm
Leaving you!
(Talk about it, talk about it)
Leaving you!
(Talk about it, talk about it)
Sleepless nights, but I know it's right
Leaving you!
(Talk about it, talk about it)
Leaving you!
(Talk about it, talk about it)It's to late I won't back down.
After all, there's no way out.
(fading in, fading out)
It's to late...

(day after day)
I won't back down.
(breaking up, moving on)
After all,
(lose an replace)
there's no way out.Read my mind.
Can't you feel that I'm
Leaving you!
(talk about it, talk about it)
Leaving you!
(talk about it, talk about it)
Sleepless nights, but I know it's right
Leaving you!
(talk about it, talk about it)
Leaving you!
(talk about it, talk about it)Read my mind.
Can't you feel that I'm
Leaving you!
(talk about it, talk about it)
Leaving you!
(talk about it, talk about it)
Sleepless nights, but I know it's right
Leaving you!
(talk about it, talk about it)
Leaving you!
(talk about it, talk about it)
