Bust at any muther fucka actin' hard wit' us Don't really wanna show you wut a G.I.B.

I'd rather be sippin' Remy in V.I.P.
When you hear the music it'll be by me
Twista with the legendary nigga B.I.G. Brooklyn and K-Town, when you checkin' out the flow
You know it's gonna rain with persistence
Two legends on the same track
Two different plains of existence Let's get it crackin' I love to bust flows
Hit it from the back, 'cus I love to buck hoe
Spit it for the city, I love Chicago
Calicoes buck, I love to bust those You think you can spit on the mike like Biggie
And flow just as steady as I
Shit is real you know you love him
You ain't got ready to die Life after death, give to 'em, however you want it nigga
That a day after, give it to ya, however you want it nigga
'Cus the shit is giddie, so I carry big heat

more drama
Than they baby mama, nigga on my back I'ma bomb ya
One man but attack like a pack of piranhas, like terracotta
Niggas always ready for war, they don't really wanna see a nigga tho
We can hit 'em, in a minute, then be finished with 'em
Hit 'em with the venom of a nigga with a sick-o flo Here wit Swizz, oh, no, niggas in trouble
Somebody better call po-po, it's gonna be murder
When I get to servin' them burners
And niggas y'all heard of me, brick city killa, nigga word to me
And I'm passed that like Bernie Magic wit' a jack
That'll snatch that rep and stack some, drag him Double on that back random, with the bullets stop brand him
Feeling hard you can't harass him
Put it up in your magic, catch the magnum flashing cannons
Niggas ain't ready for this one, 'cus I'm on a mission
To get even better than, believe it I'm heavily heated
It's easy to see it, if you wanna see me let that be the reason Spit your game, talk your shit, grab your gat, call
your clicks

Squeeze your clip, hit the right one, pass that weed, I got to light one
