

# Back Pack

## Andrew Jackson Jihad

Hey! Kali Baby

(Chorus X2)

She got her backpack, and her lunch pale too  
Cheatin when im sitting next to you/Milk would do her body good too, baby  
She got her backpack, and I got a ruler for her too  
Now im bout to take her back to school  
I can tell she got that thing by the way that she walking (walking)  
Love that dang a lang by the way that she talking (talking)  
Baby got dem goodies, think she wanna do me,  
Shes a floozy oozy wanna give it to me  
She got her jack in the box plus shes a fox, might jump right off  
If I get the toss, not gonna talk, lights come right off  
She know im khali baby, mabe its unfair  
I dont care, I just wanna lay in her hair  
Give me your number, well rondevue at the after set  
Im the one to stunt ya, one to if happen as of yet  
Her bubble, gets me in trouble, you can call it too excel, ima call it double  
Her back pack, she packed ejects em, she got me erect some  
Now I just expect some, your bodies inviting me to a fight  
That well both like, well end the night in the right light if I spoke right  
BABY!

(Chorus X2)

She got her backpack, and her lunch pale too  
Cheatin when Im sittin next to you, baby  
She got her backpack, and I got a ruler for her too  
Now im bout to take her back to school  
Her back pack full of school supplies  
WHOO! Her thighs make me scoop her,

Back in round like a tuba

Got a trunk on her, front keeps me wantin her  
Mad at her for that, matta fact I need to have that in the back  
Tap it in the sack, dont know how to act when im round ya  
She gave me that look, like im about to clown ya  
I hound ya for a piece of that, hows about a squeeze on that  
Im easy, like Sunday morning ill give up my cheese for that  
Thick miss, Krizz is the pick for your wish list  
Get bent, youll get to picture the bidness  
She make em all geek when they view that

I told you, she got a back pack, but you already knew that

(Chorus X2)

She got her backpack, and her lunch pale too

Cheatin when Im sittin next to you, baby

She got her backpack, and I got a ruler for her too

Now im bout to take her back to school

Baby just shake ya, your money maka

Looked her up and down and said, mmm ill take ya

Break out my wallet, pay for the watcha ma call it

Knew she had a backpack from the front, fo I saw it

Shes a stallion, got the boys hollerin, ballers all of us

Hope her and all the girls come on and follow us

Them 816 Boyz, brand new rat pack

Lookin for them girls (HEY) packin them backpacks

(Chorus X2)

She got her backpack, and her lunch pale too

Cheatin when Im sittin next to you, baby

She got her backpack, and I got a ruler for her too

Now im bout to take her back to school
