

The Adventures Of Rain Dance Maggie

Red Hot Chili Peppers

Lipstick junkie
Debunk the all in one, she
Came back wearing a smile
Lookin' like someone drugged me
That wanted to unplug me
No one here is on trial
It's just a turnaround
And here we go, oh
And then we go oh oh oh oh

Tic toc i want to
Rock you like the 80's
Cock blockin' isn't allowed
Tugboat Sheila
Is into memorabilia
Who said three is a crowd
We better get it on the go

Hey now
We've got to make it rain somehow
She told me to
And showed me what to do
Our Maggie makes it in a cloud

Hey now
We've got to make it rain somehow
She told me to
And showed me what to do
She knows how to make it loud

Rain dance Maggie
Advances to the final
Who knew that she had the goods
Little did i know her body
Was one delicious vinyl
To your neck of the woods
I want to lick a little bit

You've got the wrong girl
But not for long girl

It's in the song girl
'Cause I'll be gone girl

Hey now
I want to rock this rowdy crowd
She told me to
And showed me what to do
She knows how to make it loud

But not for long girl
It's in the song girl
'Cause I'll be gone 'bye 'bye 'bye yeah
'Bye 'bye 'bye girl
