Charlotte

The Kite Machine

I got no money babe you got no car
I just can't see this going very far
and I know that you're gonna believe
all of the things that you've heard about me
and she said you're not what I am used too in this regard
she gonna weave me up her sleeve but
I've got some place to be
so where's the time gone

Charlotte Charlotte
I wanna know you better if you don't mind
Charlotte Charlotte
I wanna know you better if you don't mind
Charlotte Charlotte

Well it seems i'm inclined

yeah I got no issue girl with how you dress
it seems your number one is to impress
I heard you're so uptight i want to stay
so I can fend off the storm and the strays

and she's like I've got you wrapped around my new finger
I'm gonna lose I cant refuse
she going to twist those screws

so where's the time gone

Charlotte Charlotte
I wanna know you better if you don't mind
Charlotte Charlotte
I wanna know you better if you don't mind
Charlotte Charlotte

Well it seems i'm inclined
and could it be i'm on her mind this time

Charlotte Charlotte
I wanna know you better if you don't mind
Charlotte Charlotte

I wanna know you better if you don't mind
if you don't mind

Charlotte Charlotte
and I feel they're inclined
Could it be i'm on her mind this time
