Play My Music

Camp Rock

Music
A-turn on that radio
As loud as it can go
Wanna dance until my feet cant feel the groundSay goodbye to all my fears
One good song, they disappear
And nothing in the world can bring me downHand clapping, hip shaking, heartbreaking, theres no faking
What you feel when you it ride it home, yeahMusics in my soul
I can hear it every day and every night
Its the one thing on my mindMusics got control
And Im never letting go, no, no
I just wanna play my musicMusic
Got my six string on my back
Dont need anything but that
Everything I want is here with meSo forget that fancy car
I dont need to go that far
And whats driving me is following my dreams, yeahHand clapping, Earth shaking, heartbreaking, theres no faking
What you feel when youre on a roll, yeah, yeahMusics in my soul
I can hear it every day and every night
Its the one thing on my mindMusics got control
And Im never letting go, no, no
I just wanna play my music
I just wanna play my musicCant imagine what itd be like
Without the sound of all my heroes singing all my favorite songs
So I can sing alongMusics in my soul
I can hear it every day and every night
Its the one thing on my mindMusics got control
And Im never letting go, no, no
I just wanna play my musicMusics in my soul
I can hear it every day and every night
Its the one thing on my mindMusics got control
And Im never letting go, no, no
I just wanna play my music
All night long
Yeah
