

# Play My Music

## Camp Rock

Music

A-turn on that radio

As loud as it can go

Wanna dance until my feet cant feel the ground Say goodbye to all my fears

One good song, they disappear

And nothing in the world can bring me down Hand clapping, hip shaking, heartbreaking, theres no faking

What you feel when you it ride it home, yeah Musics in my soul

I can hear it every day and every night

Its the one thing on my mind Musics got control

And Im never letting go, no, no

I just wanna play my music Music

Got my six string on my back

Dont need anything but that

Everything I want is here with me So forget that fancy car

I dont need to go that far

And whats driving me is following my dreams, yeah Hand clapping, Earth shaking, heartbreaking, theres no faking

What you feel when youre on a roll, yeah, yeah Musics in my soul

I can hear it every day and every night

Its the one thing on my mind Musics got control

And Im never letting go, no, no

I just wanna play my music

I just wanna play my music Cant imagine what itd be like

Without the sound of all my heroes singing all my favorite songs

So I can sing along Musics in my soul

I can hear it every day and every night

Its the one thing on my mind Musics got control

And Im never letting go, no, no

I just wanna play my music Musics in my soul

I can hear it every day and every night

Its the one thing on my mind Musics got control

And Im never letting go, no, no

I just wanna play my music

All night long

Yeah
