

Slower Than Nowhere

Ugly Kid Joe

Verse 1

Slower than nowhere
Playing Hide and Seek
Walking from room to room
Will you follow me?
Will you challenge me?

Chorus

My destiny will follow me
And set me free
And set me free
Slower than nowhere
Slower than nowhere

Verse 2

Cold in the mid-west
Don't take away my shine
Asking me something
Giving me nothing
That's okay, take your time

Chorus

Verse 3

Prelude to madness
Certain circles hold
Fall to the wayside, I'll take my own
Come on now, Come on now, Yeah

Verse 4

Down to my luck and
Speaking of nothing
Feeling the ground move under me
Do you feel the same?
Do you feel the same?

Chorus (X2)

Warm Fuzzy Feeling Bit
Slower than nowhere
Slower than nowhere
I feel the ground move under me
Slower than nowhere
Slower than nowhere

Ending Bit

Prelude to madness

Certain circles hold
Fall to the wayside, I'll take my own
Come on now (X8)
yeah yeah.....
