oo-ooh
what are u thinking
i know you see your cell-phone blinking
backwards and forwards i'm pacing
tryna figure out why you ain't callin me backwhat does it all mean
maybe tryna show me something
but you ain't gotta do it this way(no)
put yourself in my shoes
tell me what would you do!(CHORUS)
she knows i been hittin her (on the phone)
and i know she'z been gettin it (somethin'z wrong)
could it be that she's with the other dude (from her past)
i know damn well that she ain't
seen her laughin with her girlfriends
lookin at the number talkin bout its him again
i know she better call pretty soon or i'm gonna send
send 'em boys out to find out just why she been M.I.A(VERSE2)is it a problem?
and if theres really one im'a solve it
don't know how you handled other dudes, but i'm not them
girl your runnin round got em' thinkin that i can't handle my thang
ooh are you crazy?
did you really think you could play me?
i'm bout to show up on your door step,
you better answer when i knock(knock)
you better be by yourself!!!(CHORUS)
she knows i been hittin her (on the phone)
and i know she'z been gettin it (somethin'z wrong)
could it be that she's with the other dude (from my past)
i know damn well that she ain't
seen her laughin with her girlfriends
lookin at the number talkin bout its him again
i know she better call pretty soon or i'm gonna send
send 'em boys out to find out just why she been M.I.A(BRIDGE)
you can't run(cause the boys are gonna find ya)
you can't hide(cause you know i'm right behind ya)
if you tellin the truth,then why you actin like you scared,over there
you can't run(cause the boys are gonna find you you!)
you can't hide(cause you know i'm right behind you you!)
if what you say is true then why you can't call me back baby

baby!yeah,yeah,yeah!!
(chorus)
she knows i been hittin her (on the phone)
and i know she's been gettin it (somethin's wrong)
could it be that she's with the other dude (from my past)
i know damn well that she ain't
seen her laughin with her girlfriends
lookin at the number talkin bout its him again
i know she better call pretty soon or i'm gonna send
send 'em boys out to find out just why she been M.I.A(TH3 3ND)
