The Transition

Behold The Messenger

So here we are back to the start again
Trying hard to wait till morningHey, rise and shine and open up your eyes
To give this world some colour
Shine on diamond eyes
Separate the space between love and liesAnd as days go by, the memories remain
I'll wait for you
And as days go by, the memories remain
I won't let goThese days remain the same
Pictures fade awayPlease don't ever change
Please don't change your mind
No matter what they say
I'll always waitAnd as days go by, the memories remain
I'll wait for you
And as days go by, the memories remain
I won't let goThese days remain the same
Pictures fade awayI hope you never fade as you drift through my veins
Shine on, shine on, shine on diamond eyes
Shine on, shine on, shine on diamond eyes
Shine on, shine on, shine on diamond eyesAnd as days go by, the memories remain
I'll wait for you
As days go by, I swear I'll try until I die
Anything for youAs days go by, I swear I'll try until I die
Anything for you
As days go by, I swear I'll try until I die
