

# Stepping Stone

## Fly Golden Eagle

I was born a sinner and naked into this world I Came  
And although I've been forgiven a sinner I still remain  
I was born abandoned left hunggered by the soles of my shoes  
and I still remain there especially because of youIIIIII Ain't your steppin' stone  
IIIIII Ain't your steppin' stoneI was born a gambler theres not too many bets I wouldn't take  
All my cards lay on the table and blaze you with the money and high stakes  
well me and my friwnds we do whatecer the fuck we gotta do just to get payed!(Undecipherable)IIII Aint your  
steppin' stone x2{End}
