

# Heartbeat

## Joan Jett And The Blackhearts

Heartbeat

Heartbeat, heart, heartbeat

Heartbeat, heartbeat

Heartbeat, heart, heartbeat

I saw you talking on the phone

I know that you were not alone

But you're stealing my heart away

Yeah, you're stealing my heart away

You're acting like you're on your own

But I saw you standing with a girl

Stop tryin' to steal my heart away

Stop tryin' to steal my heart away

I don't know where we're going

I don't know who we are

I can feel your heartbeat

I can feel your heartbeat

(He said to me)

I can feel your heartbeat

(Running through me)

Feel your heartbeat

(She said)

I can feel your heartbeat

(She said to me)

I can feel your heartbeat

(She said to me)

I can feel your heartbeat

(Running through me)

Heartbeat, feel your heartbeat

Maybe it's the way you move

You got me dreaming like a fool

That I could steal your heart away

I could steal your heart away

No matter what it is your think

I'm not a kind of girl to blink

And give my heart away

Stop tryin' to steal my heart away

I don't know where we're going

I don't know who we are

I can feel your heartbeat

(He said to me)  
I can feel your heartbeat  
(He said to me)  
I can feel your heartbeat  
(Running through me)  
Heartbeat, feel your heartbeat  
(She said)  
I can feel your heartbeat  
(She said to me)  
I can feel your heartbeat  
(She said to me)  
I can feel your heartbeat  
(Running through me)  
(Feel your heartbeat)  
Stop stealing my heart away  
Stop stealing my heart away  
Stop stealing my heart away  
You're stealing my heart away  
I don't know where we're going  
I don't know who we are  
Feels like we were floatin'  
High above the stars  
(Stars, the stars, the stars, the stars)  
Heartbeat  
Heartbeat, heart, heartbeat  
I can feel it, I can feel it, I can feel it  
I can feel it, I can  
I can feel your heartbeat  
(He said to me)  
I can feel your heartbeat  
(He said to me)  
I can feel your heartbeat  
(Running through me)  
Your heartbeat, feel your heartbeat  
(She said)  
I can feel your heartbeat  
(She said to me)  
I can feel your heartbeat  
(She said to me)  
I can feel your heartbeat  
(Running through me)  
Your heartbeat, feel your heartbeat, beat, beat  
Stop stealing my heart away  
(Tell it to me, girl)  
Stop stealing my heart away

(Ooh, give it to me, boy)  
Stop stealing my heart away  
(Just say it to me, girl)  
You're stealing my heart away  
Stop stealing my heart away  
(I can feel your heartbeat)  
Stop stealing my heart away  
(I can feel your heartbeat)  
Stop stealing my heart away  
(I can feel your heartbeat)  
Your heartbeat, your heartbeat
