

# Lightworks (Light Up the Spliffs)

**J Dilla**

This is Bendix, the tomorrow people  
What is the magic that makes one's eyes  
Sparkle and gleam, light up the skies  
The name of the game is lightworks  
Uh, yeah uh, yo yo  
Listen up, listen up  
Uh, yeah, uh, yo  
Light up the skies  
The name of the game is lightworks  
Light up the spliffs  
The name of the game is lightworks
