

# Blaspherereion

## Deicide

Bleeding death, undead, broke the seal suhrim  
Desecrate, evil ghost thoth freed him  
Mass destruction, ended lives, blasphemy, you will die

Darkest one, bleeding death, from beyond  
Death be done, no regression, unforbidden  
You will die - it's been written

Die blaspherereion  
Die blaspherereion

Vicious warth adar, torted past rendered  
Odious evil, elder death, feast us  
God's construction, holy doom  
Don't believe, you're consumed

Darkest one, bleeding death, from beyond  
Death be done, no regression, unforbidden  
You will die - it's been written

Die blaspherereion  
Die blaspherereion

Lord chaos, death, save us  
Kill human kind, life was denied  
Lord black death, thoth , confess  
Send to desecrate, lord blasphemate

Darkest one, bleeding death, from beyond  
Death be done, no regression, unforbidden  
You will die - it's been written

Die blaspherereion  
Die blaspherereion
