Rock Candy

Bulletboys

Looord, yeah!

When you need a friend,
Through thick and thin,
Don't look to those above you.
When you're down and out;
Ain't no doubt
Nobody wants you!
But you're rock candy, baby:
You're hard, sweet, and sticky!
Yes!
You're rock candy, baby:
Hard, sweet, and sticky!
Oh, yes.

Hard sweet and
Ooh, yeah.
When you're seventeen,
Reaching for your dreams,
Don't let no one reach them for you.
Pull up your pants
Stretch out take a chance.
If it can be done,
Well, you can do it!
Ã‚â,¬Ëœcause you're rock candy, baby:
You're hard, sweet, and sticky, yes, you are.
You're rock candy, baby:
So hard, sweet, and sticky, yes.
Oh!

Sweet so sweet.

You're rock candy, baby:
Hard, sweet, and sticky! yes, you
You're rock candy, baby:
Ooh, hard, sweet, and sticky! yeah!
You're
Hard! sweet, oh, yeah!
Rock candy, baby:
Hard, sweet, and

Lord, you're so right!
You're rock candy, baby:
Oh, yeah!
Hard, sweet, and
Sticky!
