Never Going Back To New Jersey

[Less Than Jake](#)

There was a time when I could say it right to you
that I was never going to leave this place
but now its "I was wrong"
and "I don't wanna fucking talk about it"
cause it feels like things have changed
Yeah well I could talk, talk, talk
and say I'm wrong, wrong, wrong
but I feel I'm in a place I've never known
and it feels like there's something wrong,

something wrong, something wrong
and I know that I don't wanna know...
I'm never going back again
there was a time when I would say I must be crazy
that I would say this place is looking strange
but now its "I'm kinda lost" and "I just don't remember"
because things never stay the same...yeah, well I could talk, talk...
