

Break My Heart

Keith Anderson

Woh, yeah
Bring it on I got a half a jar of moonshine
Some whiskey and some cheap wine
Leftover from the last time
That you said your last goodbye
'Cause that's what you want, bring it on And a big old stack of leavin' song
Just waitin' to be turned back on
And I'll crank 'em up and sing along
Sick in bed, you're gone
So go ahead, yeah, bring it on Break my heart, yeah, shoot me down
I know I can take it now
Don't wait any longer
It'll only make me stronger Break my heart, get it over with
Get on with your goodbye kiss
Girl, it's now or never
'Cause it's the last time that you'll ever
Break my heart, break my heart That little blond down at the club
The one that you're so jealous of
Well, late last she called me up
And heard we're breakin' up
'Cause that's what you want, bring it on Now my buddy's that you hated
They always knew we wouldn't make it
So they're takin' me to Vegas
And I hate to keep 'em waitin'
Go ahead, yeah, bring it on Break my heart, yeah, shoot me down
I know I can take it now
Don't wait any longer
It'll only make me stronger Break my heart, get it over with
Get on with your goodbye kiss
Girl, it's now or never
'Cause it's the last time that you'll ever
Break my heart Do what you've gotta do, break my heart
I guess somebody's gotta lose, break my heart
But I'll get over you, break my heart Break my heart, yeah, shoot me down
I know just how to take it now
Don't wait any longer
It'll only make me stronger Break my heart, get it over with
Get on with your goodbye kiss
Girl, it's now or never

'Cause it's the last time that you'll ever
Break my heart
(You can't shoot me down)
(I know I can take it now)
Break my heart
(Don't wait any longer, baby)
(Break my heart) Break my heart
(Get it over with)
(Get on with your goodbye kiss)
(Break my heart)
Break my heart
