Sugar Rush

Mintzkov

Woah, yeah
I get a high whenever you're around
Sweeping from my head to my toes
I, I gotta get my feet back on the ground
'Cause you make me go
Out of my way, crossing the line
Making me say, what I have in mind
You make me so excited
And I don't wanna fight it
I start to blush
You are my sugar rush
Ain't nothing better, baby
Is it for real? Or maybe
I'm losing touch
You are my sugar rush
I got a sweet tooth and a taste for you
And I might be too obvious
But I, I can't help myself from what I do
(I, I)
'Cause you make me go
Out of my way, crossing the line
(Out of my way, crossing the line)
Making me say, what I have in mind, woah oh, oh oh
You make me so excited
And I don't wanna fight it
I start to blush
You are my sugar rush
Ain't nothing better, baby
Is it for real? Or maybe
I'm losing touch
You are my sugar rush
(You make)
You make me so excited
(I don't)
And I don't wanna fight it
(You are)
I start to blush
You are my sugar rush
('Cause there ain't)

Ain't nothing better, baby
(For real)
Is it for real? Or maybe
(You are)
I'm losing touch
You are my sugar rush
Baby, you're my sugar rush
I get weak and talk too much
You're the sweetest thing, I ever tasted
Baby, you're my sugar rush
I get weak and talk too much
'Cause you make me go
Out of my way, crossing the line
(Out of my way, crossing the line)
Making me say, what I have in mind
(You make)
You make me so excited
(I don't)
And I don't wanna fight it
(You are)
I start to blush
You are my sugar rush
('Cause there ain't)
Ain't nothing better, baby
(For real)
Is it for real? Or maybe
(You are)
I'm losing touch
You are my sugar rush
Baby, you're my sugar rush
I get weak and talk too much
You're the sweetest thing, I ever tasted
(You are my sugar rush, baby)
Baby, you're my sugar rush
I get weak and talk too much
You're the sweetest thing, I ever tasted
(You are my sugar rush, yeah yeah, yeah yeah)
Baby, you're my sugar rush
I get weak and talk too much
You are my sugar rush
