

Even Now

William Fitzsimmons

How long should I wait
Before I let you go?
How long should I decide?

Whose side should I take
When both of us were wrong?
When we both share the blame

Oh, but I love you, even still, even now
Even though we fell apart, even still, even now
But I hope we'll meet again

Whose eyes will you look in
When love is in your heart?
Whose hand will hold your ring?

Whose voice will serenade
To help your baby sleep?
To make it all okay

Oh, but I love you, even still, even now
Even though we fell apart, even still, even now
And I hope we'll meet again

Even still, even now
Even though we fell apart, even still, even now
And I hope you'll be okay
