Like It's the Last Goodbye

Kevin Skinner

We got all night*
To get it right
Oh, Baby don't you walk out on meJust take my hand
Make me understand
Cause darlin' it's your love that i need.Cause I can't make it through
One lonely night without you
(One lonely night without you)
Oh Darlin' how I need you by my side.
I wanna feel your skin next to mine
(I wanna feel you)
Stare so deep in your eyes
I wanna hold on tight
Like it's the last goodbye
Your lovin' ways
I could never replace
So, baby, wont you show me how you feel
Just take my hand
Make me understand
Cause we don't need to lose a love this realOh I wanna hold on tight
Like it's the last goodbye
