

Trashwang

Tyler, The Creator

Sawed-off I eat those
These clothes they free though
Straight from the back of the Supreme store
Don't give a fuck about these hoes
Hold on, run that shit back
(This is a DJ Stank Daddy exclusive)
I want the black kids to like me for this one, man
Trash Wang
Illegal CIV
Golf Wang
(Screaming throughout the whole song)
Bitch I'm with the fucking extras
Big dog, cup full of egg nog
Don't give a fuck 'bout shit but clips and
Camp Flog Gnaw
Sawed-Off I eat those
These clothes they free though
Straight from the back of the Supreme store
Don't give a fuck about these hoes
They just slob knob in New York shows
Thirsty for the clit till I'm not flow
Frigid Jordan trip, bitch I got it poppin'
Me and Jasper goin' coffee shoppin'
Nose to the board see a lotta boxes
Bitches see a boy and their mouths are frothing
Chains glossin'
