

You Decorated My Life

[Kenny Rogers](#)

All my life was a paper, once plain, pure and white
Till you moved with your pen, changing moods now and then
Till the balance was right Then you added some music, every note was in place
And anybody could see all the changes in me
By the look on my face And you decorated my life, created a world where dreams are apart
And you decorated my life by painting your love all over my heart
You decorated my life Like a rhyme with no reason in an unfinished song
There was no harmony, life meant nothing to me
Until you came along And you brought out the colors, what a gentle surprise
Now I'm able to see all the things life can be
Shining soft in your eyes And you decorated my life, created a world where dreams are apart
And you decorated my life by painting your love all over my heart
You decorated my life
