

Southern Lady (LP Version)

Joe Cocker

Southern lady, are you listenin?
Come walk with me, I know theres a place we can hide
But until the moment when I pay the bill
My world is just you and mine Well, the night lights are glowin
In the mansion on the hill
And the neon lights are shinin on my face Theres an old satin laces
The moons sweet perfume
Just an all night memory
Of a [unverified] Look at me, Im the playboy on the hill
What a thrill, what a thrill, look at me, Im the king
Till the mornin light comes shinin
Youre mine, youre mine
