

Feel Berlin

The 69 Eyes

Do you like concrete agony Kreuzberg on Saturday?
Tell me baby what you need
There's the Zoo alive as the city sleeps tonight
Eternal divided dream Going down to Potsdamer singing
Checkpoint Charlie blues
The 70's brought Bowie baby
Do what you do You gotta feel Berlin
Baby, yeah
You gotta feel Berlin
Baby, yeah
You gotta feel Berlin Do you like punk rock, mutiny, rock 'n' roll depravity?
Tell me baby, what you need?
Boys keep swinging wild at heart until the morning
Let this city baby set you free Going down to Potsdamer singing
Checkpoint Charlie blues
The 70's brought Bowie baby
Do what you do You gotta feel Berlin
Baby, yeah
You gotta feel Berlin
Baby, yeah Just life that's what it is
Don't be afraid of an angel's kiss
Just life that's what it is
Don't be afraid of a criminal kiss You got to feel Berlin Going down to Potsdamer singing
Checkpoint Charlie blues
The 70's brought Bowie baby
Do what you do You got to feel Berlin
Baby
You got to feel Berlin
Yeah Just life that's what it is
Don't be afraid of an angel's kiss
Just life that's what it is
Don't be afraid of You got to feel Berlin
Just life baby, yeah
You got to do what you feel
Baby, yeah You gotta feel Berlin
Baby
Don't be afraid of a
You got to, got to, got to
You got to do what you feel

Baby

You got to do what you do You got to feel

You got to, got to feel

Do what you do

Do what you do

You got to feel Berlin
