

Guitar String / Wedding Ring

Carly Rae Jepsen

You were here
And then you left
Now there's nobody nobody
Now they're all just second best
There's nobody nobody
So if you want me
I'll be around
You're a bird in the water
I'm a fish on the ground
Just hold me closer
Oh won't you hold me down tonight
But if you cut a piece of guitar string
I would wear it like it's a wedding ring
Wrapped around my finger
You know what I mean
You play my heartstrings
If you cut a piece of guitar string
I would wear it
This is the real thing
Wrapped around my finger
You know what I mean
You play my heartstrings
When you're near
I feel the best
I'm somebody somebody
It's in my pulse
It's in my chest
My whole body whole body
So if you want me
I'll be around
You're a bird in the water
I'm a fish on the ground
Just hold me closer
Oh won't you hold me down tonight
But if you cut a piece of guitar string
I would wear it like it's a wedding ring
Wrapped around my finger
You know what I mean

You play my heartstrings
If you cut a piece of guitar string
I would wear it
This is the real thing
Wrapped around my finger
You know what I mean
You play my heartstrings
You're in the country
And I'm in the town
You're a bird in the water
I'm a fish on the ground
And I wanna be there
For you tonight
And I hope you hear me
Baby hold on tight
Hold on tight
Yeah

If you cut a piece of guitar string
I would wear it like it's a wedding ring
Wrapped around my finger
You know what I mean
If you cut a piece of guitar string
I would wear it like it's a wedding ring
Wrapped around my finger
You know what I mean
You play my heartstrings
If you cut a piece of guitar sting
I would wear it
This is the real thing
Wrapped around my finger
You know what I mean
You play my heartstrings
