Oh Yes

Whitney Houston

Oh yes boy, say yes
Ooh yeah, oh yes
Oh say yes boy, say yes
Ooh yeah, uh uh uh uh
Tell me [Incomprehensible]
Ooh yeah, yes, oh yes, yes
The day you held me in your arms
I still smell the scent of you
On my dress, unbelievable
And you were so masculine
The way I felt your chest up next to mine
Felt you in my heart and now I breathe your love
You are so amazing, unbelievable
Baby, it's you that make me smile when everything gets crazy
You're the one I love, no other man can faze me 'cause
You're in my heart, I'm in your heart every minute daily
You are so amazing, unbelievable
Baby, it's you that make me smile when everything gets crazy
You're the one I love, no other man can faze me 'cause
You're in my heart, I'm in your heart every minute daily
Yes, yes, yes
Yeah, yeah, yeah, yeah
Yes, yes, yes
The time you looked into my eyes
I felt like falling in love
And I was mesmerized
'Cause it's something that you do baby
That makes me feel this way
And I can't explain
You're my joy, my peace, my happiness
And you, you, you, you baby
You are so amazing, unbelievable
Baby, it's you that make me smile when everything gets crazy
You're the one I love, no other man can faze me 'cause
You're in my heart, I'm in your heart every minute daily
You are so amazing, unbelievable
Baby, it's you that make me smile when everything gets crazy
You're the one I love, no other man can faze me 'cause
You're in my heart, I'm in your heart every minute daily

Yes, yes, yes
Yeah, yeah, yeah, yeah
Yes, yes, yes
Yeah, yeah, yeah, yeah
Yes, yes, yes
Yeah, yeah, yeah, yeah
Yes, yes, yes
Yeah, yeah, yeah, yeah
You're the best lover I ever knew, can't nobody do me like you do
Put that all on my last dime, no one else worth none of my time
Everything about you I love, you were sent from the skies above
You came here to rescue me and now I'm free
You're the best lover I ever knew, can't nobody do me like you do
Put that all on my last dime, no one else worth none of my time
Everything about you I love, you were sent from the skies above
You came here to rescue me, I am free
You are so amazing, unbelievable
Baby, it's you that make me smile when everything gets crazy
You're the one I love, no other man can faze me 'cause
You're in my heart, I'm in your heart every minute daily
